Technology has been put in place for the license renewal process to enforce CE and Ethics compliance. To ensure that your CE is posted correctly to your Prometric record, we HIGHLY recommend getting your CE credits done at least 30 days prior to your license renewal date (your birthday). If your CE/Ethics is not posted, you will not be able to renew your license. The credits have to be posted to your Prometric account.

Questions about the license renewal process and your CE/Ethics compliance, please call Association Education at 800.742.6363
