

Approved Alcohol & Security Training Programs

Liquor Liability and General Liability are available through the Number One Agency and Hospitality Mutual Insurance Company. Insureds may be eligible for a premium discount when their staff attends approved alcohol and security training programs.

Approved Alcohol-Awareness Programs

To encourage Hospitality Mutual clients to provide their employees with effective alcohol-awareness training, Hospitality Mutual has approved a rate discount of 10% percent for insureds when 100% of management and at least 75% of non-management alcoholic beverage servers obtain certification in an approved alcohol-awareness program. This discount will not be applied to the minimum earned premium for the policy. Approved programs currently include:
