

MAIA Training Update

April 13, 2021

Inspection Sticker Grace Period Extensions - Revised

Due to the nationwide system outage of motor vehicle inspection services, which began on March 30th and is expected to continue potentially through April 17th, the RMV is allowing a grace period for certain expired motor vehicle inspections. The RMV has advised law enforcement that compliance with the safety/emissions inspection requirement has not been possible since March 30, in light of the outage caused by the malware attack against Applus.

- Motor vehicles with expired inspection stickers from March 2021 (“3” sticker on windshield) and April 2021 (“4” sticker on windshield) are extended until May 31, 2021, to obtain an inspection.
- Vehicles newly-purchased or registered on or after Tuesday, March 23, 2021 should be granted until April 30, 2021 to obtain an inspection. Newly purchased vehicles must typically be inspected within seven (7) days of registration.
- Customers who recently had a failed inspection and are in the 60-day free retest window will be afforded one extra day for each day inspection services remain unavailable, but should plan to facilitate their inspection as soon as possible once the system is restored and stations are online.
